# Workshop

75 minutes: In person

## Celebrating Diversity: Fitting In, Gender, and Me

### In this workshop students will:

- Define and understand the concept of "fitting in".
- Reflect on their experiences of fitting in.
- Explore and develop strategies to support others who feel different or like they don't fit in.
- Define and understand the concept of "gender".
- Analyse and challenge assumptions about gender roles and stereotypes.
- Consider the impact of gender expectations on our interests, behaviour, and decision-making.
- Understand the importance of accepting others for who they are.
- Act out scenarios exploring the link between gender expectations and fitting in.
- Empower students to support each other's unique interests and passions.
- Build confidence and resilience through recognising and celebrating their unique attributes, interests, and accomplishments.
